DETAILED ACTION

Election/Restrictions

Applicant's election with traverse of Group II, claims 11-18, in the reply filed on 12/30/05 is acknowledged. The traversal has not been substantiated with any supporting arguments as to why the restriction requirement was improper and is therefore being treated as an election without traverse.

The requirement is still deemed proper and is therefore made FINAL.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel non-elected claims 1-10.

This application is in condition for allowance except for the presence of claims 1-10 directed to an invention non-elected without traverse (*see above*). Accordingly, claims 1-10 have been cancelled.

Allowable Subject Matter

Claims 11-18 are allowed.

The following is an examiner's statement of reasons for allowance:

There is no teaching or suggestion in the art of record disclosing a semiconductor device having a porous film comprising the following:

(A) 100 parts by weight of a curable silicone resin having a number average molecular weight of at least 100.

(B) 5 to 50 parts by weight of a micelle-forming surfactant, and

(C) 0.01 to 10 parts by weight of a compound which generates an acid upon pyrolysis.

Therefore, independent claim 11 is deemed allowable along with its dependent claims 12-18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
